SKIL

Studentenkonferenz Informatik Leipzig

September 25, 2012
Leipzig, Germany

NERD BUT SKILLED

The student's conference (SKIL) hosted by the Department of Computer Science at the University of Leipzig addresses all students of computer sciences as well as all neighboring disciplines focusing on computer science subjects. Aim of the conference is to offer all students a platform to present their projects and research projects. At the center of the conference's attention will be collegiate projects of seminars, internships and practical trainings, final theses as well as results of projects of extra-curricular activities. The conference is part of the Multi-Conference SABRE 2012 on September 25, 2012 in Leipzig.

Accepted papers will be published in proceedings. Moreover, outstanding contributions will be awarded.

Important Dates

- **July 28, 2012 submission deadline**
- August 10, 2012 notification of acceptance
- August 27, 2012 camera ready paper submission
- September 25, 2012 presentation at the conference

Submission

In general, SKIL welcomes contributions from all fields of the Computer Science domain:
- posters, demonstrations, abstracts (approx. 2-4 pages)
- short papers (4-6 pages)
- full papers (10-12 pages)

Submissions can be based on results of seminars, internships, practical trainings, final projects or theses and should be written in English or German. The selection process will be effected as peer-review by the program committee.

Program Committee

The program committee consists of scientific staffs and authors of previous SKIL conferences. Co-chairs of the program committee are Sören Auer, Thomas Riechert and Johannes Schmidt.
